Volunteers are key to St. John the Evangelist School and we are fortunate to have so many parents (and grandparents) who are willing to give of their time and talents. These are some of the areas where parents can volunteer their time and services.

At the beginning of each school year the Volunteer Form is sent out to all parents..

All volunteers are required to attend a CORI presentation and fill out the annual paperwork. Please refer to the Weekly Express (e-newsletter sent via email on a weekly basis) and the website for dates and more information.

Regular Activities Occurring Throughout the Year:

Room Parents

Help teacher with field trips and special events. Be willing to pull the Class Directory from PlusPortal to communicate via email with class families. You will be contacted by your child's homeroom teacher with confirmation. The teachers occasionally need parents to help make phone calls, organize parties, help with projects. Some teachers use the parents often and some a little. The teacher will contact you if you are needed.

Basketball Gym Duty

If your child participates in the basketball program, it is required that parents volunteer throughout the season for the score table, concessions and admission tables. There is a Gym Duty Coordinator for each team who will organize the volunteers and coordinate with the coach.

Annual Basketball Tournament

Volunteers are needed for the score table, concessions and admission tables. This tournament usually occurs at the end of February through mid-March. This is a lucrative fund-raiser for our sports programs! Our tournament began in 1980 and is the longest running basketball tournament in Attleboro. We host an average of 70 games, from 44 teams, 7 different schools, and over 7000 players/fans. It's called March Madness for a (fun) reason!
